About Conference

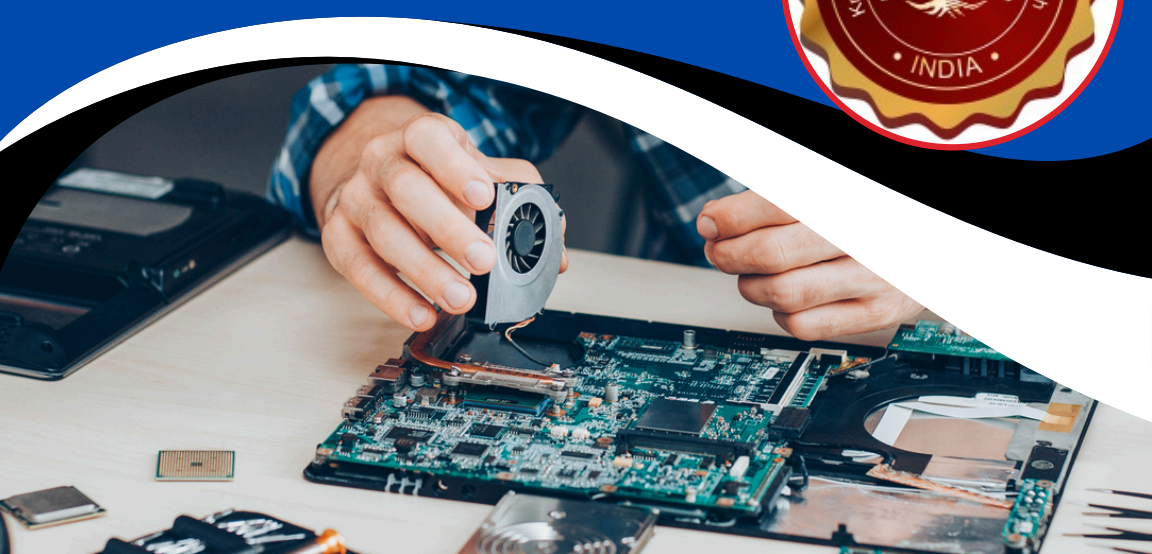

Sambhram Institute of Technology, Bangalore proudly announces NATIONAL CONFERENCE ON MULTIDISCIPLINARY APPROACHES IN Engineering, Social Sciences, Humanities & Management (ESHM-2024). The conference strives to bridge the gap between Industry, Academia and Researchers with emerging technologies. The conference provides a forum for the Researchers, Industry Professionals, Academicians and Students to discover and publish their innovative solutions for real time problems. ESHM-2024 covers all the advanced techniques in the areas of Electrical & Electronics, Wireless Communication, Network Security, Cyber Security, Artificial Intelligence, Data Science, Big data Analytics and Information Systems.

The theme selected for ESHM-2024 is "Transforming Engineering through Innovation" and its objective is to create a platform for facilitating the exchange of practical experiences in all aspects of Electronics and Computer Engineering in addition to seeking solutions to the various challenges faced by Practicing Engineers, Technologists, and Scientists.
