DR AJEENKYA DY PATIL GROUP

A frontrunner in the education field, the Dr D Y Patil Group is a name synonymous with world-class quality education. The Chairman of the group Dr Ajeenkya DY Patil, strongly believes that world-class education is the stepping-stone to progress with a long-standing commitment towards quality teaching and learning, the group has nurtured values in the making of successful careers. Equipped with state-of-the-art infrastructure, the group encourages its students to think, question, explore, and apply their well-honed minds to scale newer heights of success. Dr D Y Patil Group is highly regarded as an educational organization having three deemed universities to its credit, and running nearly 160 Educational institutions, in disciplines such as Health Care, Management Education, Engineering, and technology. The group envisages inculcating skills that enable students to meet global-level challenges.

ABOUT THE INSTITUTE

Ajeenkya DY Patil School of Engineering was established in 2010. The Institute is approved by all India Council for Technical Education (AICTE), New Delhi, Directorate of Technical Education (DTE), Mumbai and Govt. of Maharashtra and is affiliated with Savitribai Phule Pune University. The institute is accredited by NAAC, NIRF, NABL, and ISO 9001:2015 and 21001:2018.

As the demand for Engineers and Managers continues to grow, Ajeenkya DY Patil School of Engineering is focused on preparing students for the infinite number of opportunities available. Our vision would surely make us the preferred institution in the country and abroad. This makes Ajeenkya DY Patil School of Engineering uniquely qualified to provide talented students, with the type of broad technological and management education demanded in a rapidly changing world. The institute offers engineering programs in Civil Engg., Mechanical Engg., Electronics and Telecommunication Engg., Automobile Engg., Computer Engineering and Artificial Intelligence and Data Science Engg. The institute also offers PG courses in Mechanical, Civil, E&TC and Computer Engineering. The Institute has dedicated faculty members and staff and is well-equipped with laboratory equipment.

ABOUT THE CONFERENCE

The central motive of the International Conference is to throw up a number of new ideas and solutions to address the present-day challenges in the fields of Engineering, Economics, Computer Science, Management, Mathematics, and Social Science & Technology. The scope of the conference is broad and covers many aspects of international research prospective. This conference aims to provide a scholarly platform for participants to publish their research in reputed International Journals. The authors have incredible opportunity to present their research virtually and present findings worldwide that will not only help them gain the necessary exposure that they need to make their research work known in global scientific circles but also open the door to incredible opportunities for collaboration and conducting further research.

CONFERENCE TRACKS

Authors are solicited to contribute to the conference by submitting articles that illustrate research results, projects, experiment works and industrial experiences that describe significant advances in the following areas, but are not limited to:

You can contribute the paper in any language; the conference proceeding with ISBN will come in multilingual.

All Engineering fields.

Advances in e-vehicle Technology
Artificial Intelligence and Expert Systems
CAD/CAM, Automation & Robotics
Design Tools, Cutting Tool Material and Coatings
Energy Conservation, Renewable Energy Techniques
Fluid Dynamics, Bio-Fuels, Fuel Cells
Advances in Material Sciences
Robotics, control systems and AI
AI, Data Science and Scalable Machine Learning
Internet of Things and Cyber-Physical Systems
Applications of Power Electronics in Renewable Energy
Blockchain Applications
Basic Humanities and Sciences
Environmental Science
Applied Sciences
Advances in Control Techniques
AR/VR, Entertainment and Gaming
Computer Architecture & Embedded Systems
Database and Data Mining
Deep Learning and Natural Language Processing
Construction Safety and Fire Engineering
Disaster Mitigation and Management
Environmental Engineering & Management

IMPORTANT DATES

Conference Dates: 25 November 2023

Paper Submission Deadline: 21, November 2023

Paper Acceptance Decision: After 5 days of submission

Camera Ready Paper submission & Registration Deadline: within 3 days after acceptance
