About College

Cheran College of Engineering has been started in the year 2012 – 13 with an intake of 300. It is approved by AICTE, New Delhi and affiliated to Anna University. The College offers five under graduate programmes (Bachelor of Engineering) – Civil Engineering, Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering and Mechanical Engineering. The college is located in a sprawling campus on Karur-Coimbatore National Highway (NH- 67) at Cheran Nagar, K.Paramathi, Karur – 639111. The institution has the academic ambience for good teaching and practical trainings effected by qualified and experienced faculty to groom our students as complete technocrat and professionals. We inculcate the students the qualities required to envision their future, estimate the requirements, and equip them to overcome the obstacles and to reach their desired goal. The infrastructures provided to the students are world class and state of the art. The laboratories are equipped with instruments and equipment of industrial class and not merely desktop. This helps our students to learn to the requirements of real time industry. The library has adequate collection of books and journals in both print and electronic media which serves the academic needs of our students. It is computerized and has on-line access catalogue for the benefits of the users. Separate hostel facilities are available for boys and girls. Students are given abundant opportunities to involve themselves in co-curricular and extracurricular activities through various clubs, cells, associations and sports activities.
