

## ABOUT THE CONFERENCE

INTERNATIONAL CONFERENCE ON Science, Engineering & Technological Innovations (ICSETI-2023) aims to bring together leading academician, scientists, students and research scholars from around the world to exchange and share their experiences and research findings on all aspects of Engineering, Science & Management. It also serves as a prominent multidisciplinary forum for academics, practitioners, and educators to present and debate the most current breakthroughs, trends, and concerns, as well as practical difficulties and solutions in the domains of Engineering, Science & Management..

## ABOUT THE COLLEGE

KJ's Educational Institutes is established in the year 2005 with excellent infrastructure spread over 112 acres of green campus with spacious buildings having backdrop of Sahyadri hills.

KJEI's Trinity Academy of Engineering is established in 2010 located on 112 acres and 22,000 sqm constructed state of the art, world-class infrastructure. Campus is well equipped with best laboratories, workshops, libraries, hostel, canteen, sports facilities, Olympic level swimming pool, transportation facility and other amenities to create conducive environment for students in attaining highest standards in academics, research and professional skills.

Challenges and Opportunities are two sides of the same coin. We take every care of all-round personality development of individual student along with academic excellence
