ABOUT THE INSTITUTE

Established in 1994 under the visionary leadership of Dr. Tarita Shankar, Shree Chanakya Education Society (SCES) has pioneered industry-oriented education, evolving into Indira University, nurturing over 8,000 students nationwide.

Embracing the philosophy of “management education in a corporate environment,” SCES emphasizes practical learning, global relevance, and strong industry integration across its undergraduate and postgraduate programs. The flagship Chanakya Campus, with state-of-the-art infrastructure and robust industry linkages, continues to drive innovation and professional excellence.

ABOUT INDIRA UNIVERSITY

Indira University stands as a thriving educational ecosystem dedicated to delivering high-value, future-focused education. As a beacon of academic innovation, it empowers students with relevant skills and leadership capabilities to drive national growth and societal progress. Committed to lifelong learning and cultivating futuristic leaders, the university is reshaping education to meet global challenges, elevate excellence, and create meaningful impacts.

ABOUT THE HOST INSTITUTE (ICEM)

Founded in 2007, the Indira College of Engineering and Management (ICEM) is an autonomous institution accredited by NAAC and affiliated with Savitribai Phule Pune University. Offering diverse engineering and management programs, ICEM fosters innovation, research, and sustainable development through state-of-the-art infrastructure, strong industry partnerships, and a dynamic academic environment. Committed to nurturing global-ready professionals, the institute continuously adapts to meet evolving workforce demands.

ABOUT THE CONFERENCE

The National Conference aims to bring together researchers, academicians, industry professionals, and students to exchange insights on emerging technologies and sustainable development.
